### September Chapter Social Meeting:

Once again, September 23<sup>rd</sup> should already be clearly marked on your social calendar as that is the scheduled date for our next social gathering of the New River Chapter...shown above is the outdoor dining patio at The Tavern that will probably be our next meeting location, weather permitting.

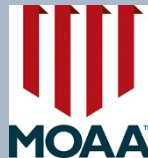

Just so you're aware, September 23<sup>rd</sup> is also the date for a Thursday evening AppState football game against Marshall University. If, like myself, there are others who are season tix holders or have a single game tix for that evening, the game starts @ 7:30 PM so for me I will see everyone for a libation, at a minimum, but will look to leave by 6:00 PM in order to get to Boone and support the Mountaineers!

Hope to see you @ 4:30 PM on September September 23<sup>nd</sup> at The Tavern!

### Call for Volunteers

Our New River Chapter will once again support the New River Marathon that will be run on October 2<sup>nd</sup>, Please send me a reply to indicate your willingness to join this annual volunteer support effort for which we receive a generous donation to our Sears Scholarship fund.
